A photograph of a lush, green mountain landscape. The scene features rolling hills covered in vibrant green grass and scattered trees. A thick layer of mist or fog hangs in the valleys and around the peaks, creating a soft, ethereal atmosphere. The hills in the foreground are more detailed, showing the texture of the grass and the silhouettes of trees. In the background, the hills fade into the mist, with a few palm trees visible on a distant ridge. The overall color palette is dominated by various shades of green, from bright lime to deep forest greens, with the white mist providing a high-contrast element.
